

AMERICAN PREPARATORY EDUCATION FOUNDATION

Dear APA Parent,

Thank you for your interest in the American Preparatory Education Foundation (APEF) Parent Committee.

American Preparatory Education Foundation (APEF) is a non-profit organization that provides energy, focus, and expertise as it raises funds for capital improvements, program enhancements, and scholarships to students, parents, and educators connected with American Preparatory Academy (APA) schools. The foundation's mission is to enhance the APA experience for our students and to provide that experience for an increased number of students and families.

Currently I am the only APEF employee, and I report to a Board of Directors. I am looking for members of the committee to be parents who are willing to share ideas and brainstorm with other committee members to come up with new ideas and find ways to improve those already in place. This committee will be involved in networking, planning, social, and fundraising activities.

Please complete this questionnaire and email it back to me. If you have any questions, don't hesitate to reach out to me. Thank you for your consideration in becoming a member of the APEF Parent Committee.

Sincerely,
